

- ▶ Ideal for large workshop and small industries
- ▶ Easily interchangeable between moulding and coating
- ▶ Temper 100 kg of chocolate in 15 minutes
- ▶ Direct competitor in hourly production with extremely higher machines

The tempering CENTO model resembles versions TOP EX and FUTURA EX preserving the innovative features of these but significantly enhancing the level of production thanks to the 100 kg tank that will allow for coating in tunnels of widths of up to 600 mm. Screw pump not removable.

Option to modify to three phase 220 V - 50/60 Hz

Heated vibrating table: 220 V 24 V

Accessories: R200/R200L/R250, chocolate injection plate, truffle coating belt, Tun 300/400, Tun 800, Mould loader 175, Moulding line 275, Automatic truffle
